

ChildFirst Mobile Solution

Case Application for Social Services

Safety & Accountability

Company:	Lee County Youth Development Center (LCYDC)
Sector:	Private, Not-For-Profit
Location:	Opelika, Alabama
Size:	10-20 Caseworkers servicing youth in Lee County
Description:	Provides a continuum of community services for children and families, including prevention, intervention and residential care.
Area(s) of Need:	Managers and supervisors needed an effective way to maintain a high level of safety for employees working in the field, as well as a method of holding employees accountable, ensuring that the youth were consistently receiving the proper care they deserve.

LCYDC's affordable ChildFirst Solution provides:

Connectivity

Caseworkers connect to home office systems from the field.

Employee Safety

Real-time employee location is pinpointed in case of emergency.

Workload Balance

Do employees have a manageable caseload size?

Employee Accountability

Are employees where they need to be, when they are supposed to be there?

Mileage Reduction

Where are employees driving on company time?

Data Collection

Custom reporting and advanced analytics for management.

"I am able to assess for location, as well as safety and accountability for my workers while they are out in the field."

- Amy, Supervisor In-Home Services
