

# STEM GIFTS FOR KIDS!

marbles

legos

books

puzzles

MUSEUM membership

building toys

toys like  
ZooB and  
K'NEX!

## Magnets

for spelling, sorting, magnetism.  
We like Magna-Tiles!

## Snap Circuits

build your own projects!  
Learn about electricity.

## Monthly Gift Boxes

We like [kiwicrate.com](http://kiwicrate.com) - they send material, instructions to help build and experiment

## Coding Toys

"Think & Learn Code-a-Pillar" or Microduino kits! Let your Legos come to life!
