# OSCR360

**LAW ENFORCEMENT**

**FIRE & EMERGENCY MANAGEMENT**

**ENVIRONMENTAL SAFETY**

**SCHOOLS & UNIVERSITIES**

# What is it?

## EVERYWHERE. EVERY CASE. EVERY TIME.

OSCR360 is a two part, multi-use system designed and built from the voice of public safety. The paired system includes software and a 360 degree spherical image capture kit. OSCR is used for documenting various scenes ranging from simple municipal code violations to the most involved homicide scene investigations.

First on the scene, OSCR teams with your agency and is used for crime scene investigations, fire, emergency management planning, active shooter training, forensic science curriculum, and environmental safety. OSCR has been used for: crash investigations, unattended deaths, homicide investigations, drug investigations, fire investigations, hunting-related shootings, burglaries, case recall, search warrants, hazardous materials, active shooter pre planning, emergency preparedness planning, training, courtroom testimony, disaster response, building documentation and more....

OSCR360 Software

OSCR360 Capture Kit

**L-TRON** FOUNDED 1975

# How do I use OSCR360?

### 360 Image Capture

Capture a 360-degree photograph, associated GPS coordinates and cardinal direction (compass) information in under four seconds.

*"You can't schedule a homicide or accident. The ability to go out in the sleet or rain and get a clear shot of a scene is huge."*
*- Police Department, Rochester, NY*

### Instant Preview & Software Download

Instantly preview your photo on scene using the OSCR tablet software. Sync your 360 photographs to the desktop software in two easy steps.

*"I'm amazed at how intuitive this is. Put a couple pieces together, take a picture with the tablet. It's just that easy!*
*- Special Agent, NC*

### Build Your Case

Add digital evidence files to your 360 case photos and/ or directly to your OSCR case project/software. Files include: images, pdfs, word documents, videos, audio, gps pings, and more.

*"I can take 360s, import blueprints and maps, and then embed all of my inspection and/or FEMA documentation in one project and send it off. Amazing."*
*- Sergeant, FL*

### Take a Virtual Tour

*"You've captured the scene exactly the way it looked." - John, Investigator*
Set the stage for your case by using the 360s as the container. Present a true and accurate walk-through of the scene.

*"I thought it [OSCR360] helped consolidate all the information we had to consider and make things clearer." - Juror #9, Rideout Murder Trial*

---

*"I've been doing this for 11 years and your system is the first one I've seen that's designed specifically for crime scenes and all I can think is "FINALLY." Nothing is ever designed for us, we're just an afterthought and this is specific for us. Thank you."*

*- Lieutenant, Sheriff's Office, NC*

*"This product is just amazing. It's so easy and so fast. It's just amazing."*

*-Supervising Forensic Investigator, Police Department, CA*

---

# Your Voice -First Responder Uses

## LAW ENFORCEMENT

Bettendorf Police Dept., IA - Using OSCR360 for accident investigations to help clear roadways in their city more rapidly.

Richmond Police Dept., KY - Impressed with the ease of use of the OSCR360 software and how quickly they are able to document crime scenes.

York Poquoson Sheriff's Office, VA - Documenting a homicide scene, straight out of the box.

## SCHOOLS & UNIVERSITIES

Henry C. Lee Institute of Criminal Justice and Forensic Science, CT - OSCR360 is being used for instructional use in its college-level forensics curriculum.
*"Dr. Henry Lee is always looking at new technology. This system looked to be useful for investigations and an affordable price. Something we could use in our courses here at the institute – primarily for training."*
*- Steve Shiner, Director of Training, University of New Haven, Henry C. Lee Institute of Forensic Science*

Hamilton - Fulton - Montgomery - BOCES, NY - Their Criminal Justice program purchased OSCR and is sharing the system with local Law Enforcement agencies.

## ENVIRONMENTAL SAFETY

NYS DEC - OSCR assisted the New York State Department of Environmental Conservation on a hunting related shooting incident. OSCR was used to document the whole scene and then used to show the story of the case in grand jury.

## FIRE & EMERGENCY MANAGEMENT

Sacramento Fire Dept., CA - Using OSCR to capture an overall scene or incident. The user interface is easy to use. It's easy to setup and portable. It allows you to testify and immerse your audience or the jury into the crime scene.

# How much does OSCR cost?

A single standard OSCR360 capture kit with (1) desktop license starts under $10k.

Accessories, such as a 27ft tripod, and additional licenses are offered for an additional cost.

## 20+ Funding Options Include:

- Grants
- Budgets
- Forfeiture Funds
- First-in-State discounts are available. Make sure you ask us about this!

*"I've been looking at the laser scanners but they're so expensive. Our chief and I agree, it's not worth the cost for the few things we'd use it on. But this [OSCR] we would use this daily. We're going to get this."*
*- Law Enforcement Agency, MI*

*"We've been evaluating multiple systems and I feel like yours is the biggest and best bang for your buck. The price point is right, the camera and the software. You just get so much more for the perfect price. I've been doing this for 11 years and your system is the first one I've seen that's designed specifically for crime scenes and all I can think is "FINALLY". Nothing is ever designed for us, we're just an afterthought and this is specific for us. Thank you."*
*-Lieutenant, Sheriff's Office, NC*

# LAW ENFORCEMENT OFFERINGS

Established in 1975; L-Tron specializes in purpose-built equipment for Law Enforcement. Built from your voice, our solutions and equipment are currently being used in 3,000 municipalities across 50 states.

We have been working with and for Law Enforcement for over 20 years. We first got our start building eCitation DL Readers directly from your voice. The first generation 4710LR DL scanner was created and has evolved from your feedback to the 4810LR and now the 4910LR. You will likely find the 4910LR DL Reader in your patrol vehicle (possible covered in hot chocolate...). View all offerings for Law Enforcement: www.L-Tron.com/law

# ABOUT US

We are a passionate, dedicated, and quirky team with vast knowledge and expertise. We collaborate with organizations to optimize their efficiencies, maximize their profits, and minimize their costs by providing off the shelf and tailored data capture and industrial automation equipment and solutions. We selectively partner with industry-leading manufacturers to design, develop and deliver the best productivity-enhancing solution to fit each client's unique requirements. Earning the coveted premier level status with leading manufacturing partners gives L-Tron access to the best products in this market space, the highest levels of technical support and fast-responsive service enabling us to better serve our client's needs. Our goal is to add value for our clients through every step of the process. For more info, visit: www.L-Tron.com/about-us

# OUR SERVICE

### ISO / 9001: 2015 Certification
Service excellence is our priority. Our quality management is impeccable and you'll receive nothing but the best from us!

### Partnering with the Best
We're highly selective, partnering with only the best vendors, so our customers receive the highest quality hardware and software.

### Invested Employees
Ever wondered why our team is so pleasant, proactive and easy to work with? It stems from our positive office culture and morale!

### Expertise in our Markets
We'd love to share our knowledge and glean even more wisdom by partnering with you!
